Cabot is currently supplying water to Ex. 6 - Personal Privacy while they are crafting a treatment system for them. They are supplying both bottled water a WB -

Dawn had looked at the data for them in the table of the rest of the residents - earlier in the week - and noted that Ex. 5 - Deliberative

Harrisburg and Meadville offices didn't recognize the name from their data bases so one of the guys from Williamsport who does more field work in that area is checking. Hopefully we'll track him down, otherwise we'll have to call one of the others in the family to see...

Thanks for your quick review!
